# Issuu-Make a magazine

The screenshot displays the Issuu website interface. At the top, the Issuu logo is on the left, followed by a search bar containing the text "paris" and a "Search Issuu" button. To the right of the search bar is a "Browse" link with a dropdown arrow. Below the search bar is a navigation menu with buttons for "Home", "My Library", "Profile", "Sections", "Friends", "Account Center", and a "Learn more videos" button with a video icon. The main content area features three modules: "Issuu Pro" (described as "Issuu for businesses, publishers, and professionals" with a "PRO" badge and a "Learn more" link), "AdPages" (described as "Target the right audience for your publications. Engage where it matters." with a "Learn more" link and a location pin icon), and "Detailed stats" (described as "How many readers do you have and where do they come from?" with a "Learn more" link and a bar chart icon). Below these modules is a blue button with a plus icon and the text "Add / remove module". The "Featured" section is below, with a dark background and a navigation bar for "Featured Magazines", "Sports Adventure", "Food", "Visual Inspiration", "Business thinking", and "Read on iPad". Four magazine covers are displayed: "T Magazine...", "ZEST Sprin...", "Off The Menu" (with the subtitle "STAFF MEALS FROM AMERICA'S TOP RESTAURANTS"), and "cultivate" (featuring two fish).

# Ted-Ed: Flip your classes

## Lesson Title

Use this title or choose your own.

## Press Play

Video can play while working through lesson.

## Meet the Creators

View profiles of the experts who made this lesson.

The screenshot shows the TED-Ed website interface. At the top, the TED-Ed logo is followed by the tagline 'Lessons Worth Sharing'. Navigation links include 'Tour', 'Get Involved', and 'About'. A red navigation bar contains links for 'Series', 'Subjects', 'Best Flips', 'YouTube', and 'Recent Activity'. The main content area features a lesson titled 'The Power of Simple Words' with 52,749 lesson views and 670 flips. A video player shows a cartoon character shouting 'AMBUATE THIS DIRECTION!'. To the right of the video are buttons for 'Watch', 'Think', and 'Dig Deeper'. Below the video player are sections for 'About This Video' and 'Meet The Creators', which lists Terin Izid (Educator) and Sunil Brown (Animator). A red 'Flip This Lesson' button is prominently displayed.

## Think

Multiple choice and short answer questions. Pick from the questions provided and/or create your own.

## Dig Deeper

Resources for discovering more about the topic.

## What does "Flip This Lesson" mean?

"Flipping" a video allows you to turn a video into a customized lesson that can be assigned to students or shared more widely. You can add context, questions, and follow-up suggestions to any video on TED-Ed or YouTube. [Learn more about flip teaching.](#)

## Political Commentary

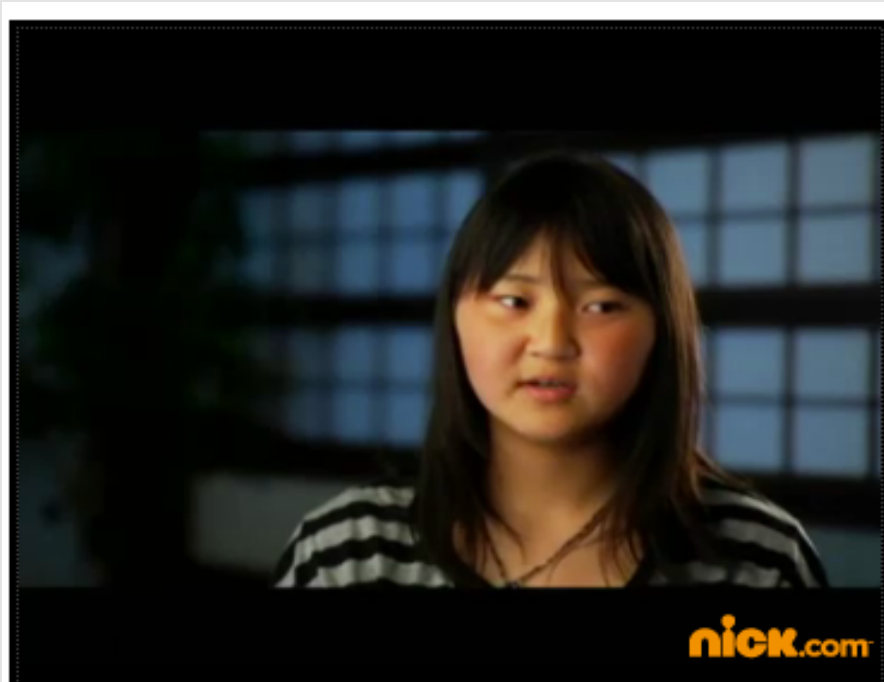

- The Hunger Games is set in a world where the government forces children to be sacrificed in such a violent way. Writers often create thought-provoking stories to reveal flaws in our world. What message do you think the story's creator is trying to express with this dark tale?

<http://www.goodreads.com/book/show/2767052-the-hunger-games>

# Kawya QR Code generator-Static

The screenshot shows the Kaywa QR Code generator website. The browser address bar displays 'qrcode.kaywa.com'. The navigation bar includes links for Home, Features, Pricing, and social media icons (Twitter, Facebook, Like button with 2.9k likes), along with a Sign in button. The main content area features the Kaywa QR Code logo and the text 'Create free QR Codes, now also Dynamic Codes.' Below this is a form with radio buttons for URL (selected), Text, Phone Number, SMS, and Contact. A text input field contains 'http://'. To the left of the form is a large white square with a black 'X' and a green circular button labeled 'DOWNLOAD KAYWA READER' with the text 'GOT A QR CODE READER?' above it. Below the form are two sections: 'Dynamic QR Codes' with an icon of a QR code and a printer, and 'Powerful Analytics' with an icon of a pie chart, clock, and globe. A large green circular button labeled 'START NOW' is positioned to the right of these sections.

# Textivate-change a text to a game

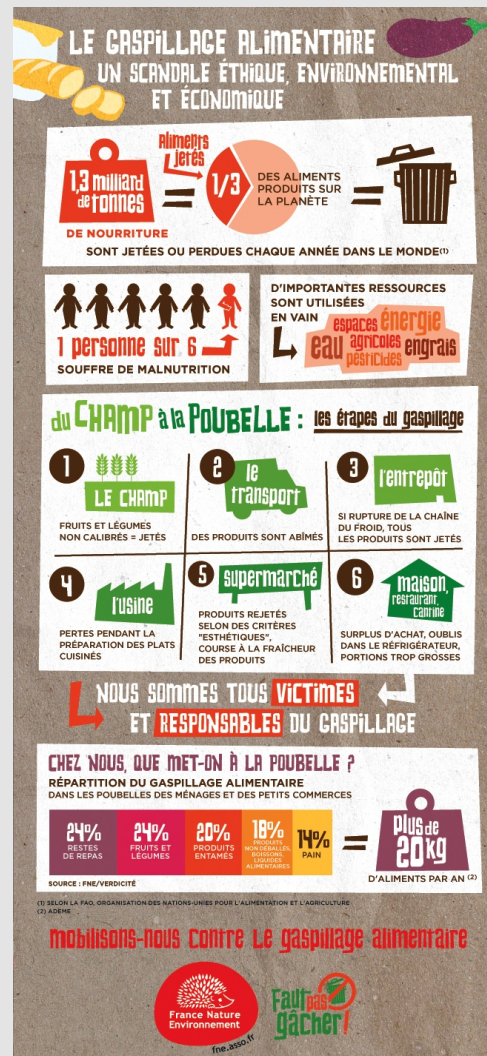

Le terme « école » vient du latin « schola », lui même emprunté au grec « skholé » qui signifiait « loisir studieux, lieu où l'on enseigne ». L'école : un loisir ? Oui ! Figure-toi que pendant l'Antiquité, les discussions et les réflexions intellectuelles étaient considérés comme des loisirs et s'opposaient aux jeux. Aujourd'hui, le mot « école » désigne un établissement où l'on donne un enseignement à plusieurs personnes, les élèves. C'est un lieu où l'on apprend mais aussi où l'on s'amuse !

# Technology will never replace teachers.

However, teachers who know how to use technology effectively to help their students connect and collaborate together online will replace those who do not.
